Hi Rich,

Bentley USA have just released the pricing and ordering guides for EWB. Could you please pass these on to Mr Epstein to look through?

I unde=stand he is a very busy individual but I can't recommend enough visiti=g the factory in England to commission his new car. If he is in London any=time in the next few months, the factory is 1hr 40 minutes from London Eus=on station or Manchester airport is 20 minutes by car.

Bentley will collect him from the station in a Mulsanne and talk him =hough all the different colour and interior options. For me though the rea= benefit of going there is to meet the people physically making the car.=C2◆

I recently visited and was blown away by th= experience.

Just a thought! Any questions =lease let me know.

Rupert
