Danny,

After looking at the three x 100,000 gal cisterns in m=aintenance/RO building on LSJ, that you want cleaned, we could do them all =or \$10,000. This is labor only, to clean with power washer. If=any concrete repairs are required or

any recoating is necessary, you can determine that when they've been cleaned. We can get started as soon as one of units is empty.

Thanks, Ed
