You have the option of paying the balance shown in the notice we received last Friday.

The interest calculation runs through Friday, May 5th. The payment of \$360,329.91 would be sent to the attention of the agent Ms. M. McLaurin at the address shown in the letter.

<=p>

The letter entitled "notice of computational adjustment" indicates in the middle of the bottom paragraph that "you may choose to pay the amount shown on the form 4549-A, as interest will continue to accrue on any unpaid balance" Therefore I would recommend that payment of \$360,329.91 be made now.... which includes interest to May 5th.

If you wait, the IRS will send an actual bill with additional interest. It may take a few weeks.

<=p>

I will write a brief confirmatory letter. Will fax this a.m.

Barry- jeffrey suggests tom draft a short confirmato=y letter to agent vs a call. Also, tom I was under the impression we rec-d=a "notice" from the irs, not a bill so there is nothing to pay a= this moment, ie, bill comes in a couple of weeks? Is that incorrect?
