Larry,

They did not know it was wit= a broker until they emailed the DOM to get the specs for me. &=bsp;They thought the asking price would be around 20, however they know the=market is tuff and it "may go for 16 or 17". (Maybe less) The second 12 yea= inspection and landing overhaul may not be too far off in the distant futu=e so that should be a factor, all the inspection dates are Listed on t=e spec sheet.
