Now that we are keeping the fwd lav as is (remove vac=nt / occupied sign, we will replace the R/H pocket door with a swing door =inged omn the R/H side, we will modify the R/H pilot manual storage just fwd of the pocket door to best coordinate, do yo= still want to modify the L/H pilot crew galley annex (where the coffee ma=er is) by cutting it back the 3 or so inches?

You sent me pictures of the wavy lay down "bril=iant" chaise. Do you want us to replace the credenza and creat= this / similar chaise?

Best Regards,

Eric
