When Georg= W. Bush was elected president in the year 2000, it was due to the electoral college (a rigged system which originally inten=ed to prevent slaves from voting and evolved to gerrymandering), even though Bush's opponent, Al Gore, won the national popular vote. Hillary Cl=nton was elected senator that year, and she announced that the first thing she would=do was to get rid of the electoral college. A few years later, as a columnist =or the New York Press, I sent her a letter asking about the status of that promise. She didn't reply.
