Jeffrey,,
I have a paint color chart for your review tomorrow.

I heard back from Rusty,,
He first told me \$274k plus \$10k in parts or labor credit,, rusty believed h= could offer the \$20K,.that I told you about.
Rusty was overruled by SAV service manager,, the offer is \$274k plus \$10k re=uced price for parts / Labor or Direct price reduction on Paint,, SAV informs they offer paint price reduction when they sell interior refurb,=

I'll get a paint price from Falcon Jet and Duncan.,

Jet Aviation in St Louis price is \$218k
