Jeffrey,

We are working diligently to have your proposal completed on Friday.

Although we have started pulling materials, we need the blanket so that we can dial it in.

We have requested new veneer samples from our wood veneer vendor and asked them to source Palm. I also asked for two oak samples as this is likely a better choice in keeping with materials that would be used by Hermes and Pinto. No "SAD" wood.

I am trying to put as much detail information into the work scope so that it is fully comprehensive.

I understand you spoke to Jeff Shaw at ProStar Aviation regarding the cabin management system and touched on wi-fi.

I have meeting with the paint shop that just painted my G550 tomorrow at 11:45 to discuss your aircraft.

Best Regards,

Eric
