Larry,

I am familiar with the history of the aircraft. =A0 This aircraft has flown all over the world since then. This does =ot make it worth any less. If it is not something you're comfortable with then it is just not the right plane. The seller wil= not accept \$18M.

I was going to call you today and suggest that befo=e any further price discussions I encourage you and Jeffrey to go to Dalla= to see the plane and review its records. Every BBJ is so distinctly different it is important that you have a full unders=anding of the asset to correctly know how to assess value to it. Let=me know if you would like to schedule a visit. Best, Josh<=u>

Josh,.

Are you familiar with the original owner of N720MM? =hen it was know as N313P?

See this link:

=https://en.m.wikipedia.org/ <https://en.m.=ikipedia.org/wiki/Premier_Executive_Transport_Services>
wiki/Premier_Ex=cutive_ <https://en.m.wikipedia.org/wiki/P=emier_Executive_Transport_Services> Transport_Services
<https://en.m.wikipedia.org/wiki/Premier_Executive_Tr=nsport_Services> </=>

If so,. It's worth less the \$18M with a serial n=umber trace, not sure how the Middle East airports would feel about t=is serial number upon arrival?

Is this correct info?

Thx

Larry
