Jeffrey – I really need to get some movement on this. I have sent i=voices repeatedly to Peter with no response. This matter is now really dama=ing my relationship with Bill and the other attorneys in the firm to the po=nt where I am actually going to pay the invoice to the firm so that the guy= can get their share of the fees. Normally I would not make a big deal abou= this – but I did not agree to work for the government and I never wo=ld have because getting money from them is impossible. </=>

This is a ridiculously=awkward email to write because I value my relationship with you - but I a= getting frustrated.
