Hi Jeffrey,

George Goldner said that he would be happy to help you find a monumental pa=nting, but he would need some more info about what you're looking for, so =ould like to discuss it with you. Do you want his contact info? Or shall I=give him yours? I just told him that a friend of Leon's was looking for so=ething like this and asked if he could point us in the right direction.

Another option would be to commission an artist to create something for you= That way you would get the subject matter and exact size you want. John C=strucci's brother is an artist and did a very large Old Master-style drawi=g for John's office that's quite good. Diana Howard (Leon's curator) has =lso worked with John's brother in the past on a commission he did for anot=er client of hers and she said the client was very happy with the result. = can't remember the brother's name and I haven't said anything to John - j=st thought I would mention it to you in case you might be interested in go=ng that route.

Best,
Heather
