sorry, but I am still ill only as a result of =our lack of care, no sense of responsibilty and disregard for my dir=ctions. . Unlike the previous times when I knew it=was not your fault. and i was very understanding. = didnt shake the hands of anyone who came to the house as my w=ek of meetings were too important to risk getting sick. =o then get sick because once again you chose to hide your beginnings=of a cold. is very very disturbing. My entire month of p=ans has to be re arrange. and why? !!!, I told you=three times I would be very angry if you got me sick. soo please be =areful. and you then ignored me. AGAIN> =C2
