I had already viewd the =emplate so it was a waste of time. 4   you did=t know the names of the employees. 5 where karen has interview= 11 people for the maid job,   you have not found anyone t= interview for dannys role.   instead trying to fit what i=already said was a no hands on guy , and wanting to give him another=chance,   instead of presenting 3 or 4 new candidita=e. . you didnt know the correct dates of part arri=als or in fact what was wrong with the only piece of machinery i ask=d about   ie treadmeill.   =A0 the lack of details is astonsihing to me.   having to e=plain once again that the punchlist is the priority , you trie=t to explain to me why you decided to ask chris to fix the tennis court .=C2   (you could have done it if your thought so importnat) =   taking my car instead of a taxi , for a wholly pe=sonal trip is astonsihing to me but i will give you this week to sho= us your are capable .
