Subject: Tomorrow's meeting

Jeffrey,

Larry informed me that you anticipate arriving to my =angar around 9:45am with an 11:30am departure to Bedford.

Eileen and Adrienne went to the D&D bldg. yesterd=y specifically to bring back fabric samples for our meeting tomorrow.=/o:p>

I want to address the floorplan (leaving it "as-is" and the idea of using the two (2) divans as your bed). I d= not know how you envision the aircraft as you noted in prior conversations that you "always" keep the bed out.</=pan>

How will you (or the girls) get to the aft cabin 2 si=gle seats, galley, aft lavatory without climbing over the bed?<=span>

I hope that we can discuss or you can confirm the flo=r plan so that we can prepare a proposal for you (along with confirming a =olor scheme and selecting some materials).

Best Regards,

Eric
