thank you for your time yesterday . No rush in=the middle of your holiday. . . I am very familiar with th= emotion of property and the role it plays in a widows life. =C2♦ I might propose that the madam can use the property for the tw= to three years during its renovation, I could work around her=travel schedule with mine. she would have full access to her house.=C2♦ I would stay at a hotel during the construction period =C2♦ this way she has sold it , but still " owns" it.
