Jeffrey

Our GIV engines are due overhau= Nov 2018,

For planning purposes we could still install loaner= Engines on the GIV Mid July to Mid Aug,, Takes 3 months to do engine overhaul,, When it's time to sell the GIV could be attractive to a buyer, that we'll with fresh Engines, we could still sell the aircraft with Rolls Royce loaners installed

Thx

Larry

From Kathleen  
Rolls Royce corporate care  
Hi Larry

Our fleet planner says she can work with your engines being removed anywhere from mid July to Mid=August to supply lease engines and have them ready to reinstall in November= Alternately you can remove in November

Please confirm removals will=be in the US.

Best Regards,
