Jeffrey,

Larry informed me that you anticipate arriving to my =angar around 9:45am with an 11:30am departure to Bedford.

Eileen and Adrienne went to the D&D bldg. yesterd=y specifically to bring back fabric samples for our meeting tomorrow.</=>

I want to address the floorplan (leaving it "=s is" and the idea of using the two (2) divans as your bed). =I do not know how you envision the aircraft as you noted in prior conversations that you "always" keep the bed out.

How will you (or the girls) get to the aft cabin 2 si=gle seats, galley, aft lavatory without climbing over the bed?</=>

I hope that we can discuss or you can confirm the flo=r plan so that we can prepare a proposal for you (along with confirming a =olor scheme and selecting some materials).

Best Regards,

Eric
