went to marrkech . saw the =roperty, somewhat interesting. elegant =otential - lots of work however needed to =inish, lots!! - . garden is only =alf done. not complete as suggested. - there is a =mall guest house where madam lives. small =itchen. shell of main house has sat for =0 years , outside ceramic. inside only a concrete =nbsp; shell. perfect for pascal there is a =ingle pool and shaded structure that is great. - it =ould take two years to finish at a minimum. electric =walls , interior . gardens, infrastructure, . =any silly follies. . underground disco? =nderground sitting. . underground tunnels. = Your friend said she wants 20m. euro. = probably worth between 8-10. as much =f if not all of , current work would need re-do. =ountains. . electric. water. . I =ont want to insult the current owner by submitting an offer that she =ouldl be offended by. however =t 8-10 Id buy it, I know the =amily , but of course will let your friend and also =ou get a commission if paid so i will only deal through =ou. FYI, the owner was =pecial , so like my properties not a lot of willing =r able buyers,
