thx marella, I had asked luc if th=y had plans for the house . he said yes. . . =C2 its an interesting site. I am aware of the h=story. It will take two to three years to complete. =A0 maybe a little more with the proper finishing of garden. . probab=y 8-10million for completion. renovation, infrastructure =, including air con. electric internet . irrigation. wells. se=urity. etc. At a fair price I would be a buyer.. As lin=a told you , I am not a fan of construction. however it could be a fun pro=ect. I am not sure of your role , ie commissions to be paid by me or=seller. ? either ok with me. however if you feel awkward=in pointing out its real value to owner , i can do it and be responsibile t= pay commissions. I also need to udnerstand taxes. trans=er, etc. . labor rules. .

Dear Jeffrey,

I hope this email finds you well, and that Luc made a nice tour of the prop=rty.

The owner asked me to send you this information.

As soon as I have more details I'll forward them to you.

Kind regards,

Marella
