a simple "I dont know" would have been the right answer. a simple call to find out , would have helped , but you decided to make up an answer , I did not see the tool electric on the punch list. ? sorry it didnt work.=C2◆ yes- it best that you leave

Jeffrey,

With all due respect. I was asked to come here to sort out the staffing, not to be an island manager. Anna is in charge of the outside crew and I've created a position that works for her.

No, I don't know what every person =n the island is doing at all times. If I were to oversee every single pers=n, I would not get anything else done.

I get it. You are not happy with my performance and I can accept that and will pack my bags. But, I never signed up to be an island manager. =ou asked me to come sort out the situation with Brice, Karen and Anna and =taffing in general.

I found a =ouple you like, split up Anna and Karen so they can co exist and gave them=realistic areas of responsibility.

On top of that, I've been keeping an eye on both Karen and A=na's areas of responsibility and helped out where needed. Including spending all my day Saturday cleaning beaches and plucking weeds, rearranging=stones for your arrival.

I've never once had a chance to sit down to define my role with you. I was asked to come to do one thing and then is expected to do something entirely =ifferent.

Sorry it did n=t work out.

I will coordinate =y departure with Rich

Sincerely=

John
