Subject: essie joke

Two old people meet in the park. He is 91 and =he is 86. Every day they come and sit on the bench and =alk. Little by little they get closer. Eventually kiss and =ventually the guy asks the woman if she would rest her hand on =is penis. She figures why not? And does so. So now everyday =hey sit on the bench and talk, with her hand on his penis. One =ay the woman comes to the park and the guy is sitting on the bench with =nother woman with her hand on his penis. The woman asks the =uy how come he is with the this new woman, she thought he liked =eing with her. The guy says I do like you but she has =arkinsons.
