Jeffrey,

We would benefit greatly if we got 2 John Deere Pro Gators. One for Dupson o= LSJ and one for Dalce on GSJ. They carry rocks and heavy materials on thei= Mules and they are not designed for that kind of load. The belt drives con=tantly need replacement. The Pro Gator has a 4000 lbs capacity rating

We would still have use for their old Mules. Less back and forth transportat=on between islands

Thanks

John
