I did not make =p an answer. Danny V and I discussed the pool project at 7am this =orning.

You never gave this a chance. For 3 weeks I've had nothing =ut negative feedback and no communication.

Not the Jeffrey Epstein I remember from earlier.

Jeffrey,

With all due respect. I was asked to come here =o sort out the staffing, not to be an island manager. Anna is in charge =f the outside crew and I've created a position that works for =er.

No, I don't know what every person on the =island is doing at all times. If I were to oversee every single person, = would not get anything else done.

I get it. You are not happy with my =performance and I can accept that and will pack my bags. But, I never =igned up to be an island manager. You asked me to come sort out the =ituuation with Brice, Karen and Anna and staffing in general.

I found a couple you like, split up Anna and =aren so they can co exist and gave them realistic areas of =esponsibility.

On top of that, I've been keeping an eye on both Karen and Anna's areas of responsibility and helped out where needed. Including spending all my day Saturday cleaning beaches and pulling weeds, rearranging stones for your arrival.

I've never once had a chance to sit down to define my role with you. I was asked to come to do one thing and then is expected to do something entirely different.

Sorry it did not work out.

I will coordinate my departure with both

Sincerely

John

rich, this is unfortunately typical. . . John's answer is totally fabricated. fiction. no basis in fact knowledge or accurate - it turns out Chris accidentally ripped out the electric when they planted the new trees. . . Jason said John never spoke to him about what he was doing only the fact that he would report to Karen. not sure what a manager does who has not the first idea of what is actually happening.

New solar plant, new generator. So new runs are needed. Maybe the pool never had electric.
