Jeffrey,

The new punch list system requires you to have an online account with Smarts=eet, the software we are using.

Are you OK with going to the website to register your email and password at w=w.smartsheet.com?

Following registration you will receive an email with a link to confirm that=your email is correct.

If you'd rather not deal with that, alternatively I can create an email and p=ssword for this program for you only and just send you the log-in info.

What do you prefer?

Thanks

John
