Greetings Sir,

The Virgin Islands Port Authority has made changes at the Cyril E. King Airport location in response to an incident last month. These changes have impacted all of their tenants, including Thomas World Air.

For your review and approval, attached is the Memorandum of Understanding for Airport Operations Area Access, drafted and signed by VIPA, which the Lessees are expected to sign. Darren has reviewed and has no objection.

Also for your review and approval is a letter drafted to Chief Edred Wilkes of the VIPA Police Division requesting a key to the General Aviation Parking gate. This gate provides access to the TWA hangar from the street side of the airport property. Darren has reviewed and provided edits, which I have updated.

Larry, with your approval, will sign both documents.

Respectfully submitted,

Daphne
