Jeffrey,

The new punch list system requires you to have an online account with Smartsheet, the software we are using.

Are you OK with going to the website to register your email and password at [www.smartsheet.com](http://www.smartsheet.com) <http://www.smartsheet.com> ?

Following registration you will receive an email with a link to confirm that your email is correct.

If you'd rather not deal with that, alternatively I can create an email and password for this program for you only and just send you the log-in info.

What do you prefer?

Thanks

John
