I quote :

he is not into family history& bickering- contrary to the previous generation

he obviously wants to name all their group Rothschild & co

he is ready to write an internal note to all their employees asking to stop using confusing messages (note that he would be willing to submit to me)

they were forced to use « Rothschild Martin Maurel to acquire this bank but have no intention to use this name in the long run (as soon as the old mr Maurel dies)

He has « carte blanche » from David and Eric (because he is the ceo now)to reach an agreement with me before we go to court end of June (terrible publicity for both our groups)

He intended to go about the process « like an M&A « deal (ie not leave the room before an agreement is reached, « even if we have to spend all night at it ») . We ended up spending less than 2 hours with him & new lawyer talking about basic issues that had been agreed on 5 yrs ago .

Voilà !!
