Good afternoon Jeffrey! How are you? I hope all is well.

I wanted to ask for your advice-- since David said mid May and there is no news from Barry (I'm not sure if I spelled it correctly) perhaps it's not a bad idea to go to school now? I don't know if David's response means that he doesn't want to hire me but at our meeting he asked if I'm familiar with Excel, I thought it might be not a bad idea to take the office administration course and/or complete CAD. Please let me know what you think about it.

Thank you so much for a wonderful night that you organized for us yesterday at Hasty Pudding, it's always a pleasure to be your guest and always great to see the girls all together!
