Entirely my fault. The parking lot b= Flagpole was put on the punch list in January when I was on the island, so=when I noticed it was still not done, I added it as a maintenance item. The=guy in the Photo is TJ's helper Joseph.

Cracked plastic lattice boards and=missing paint. It looked pretty bad

Sorry about that. My only intention wa= to get things maintained before you arrive, but did not realize it was not=a priority

Lesson learned
