Subject: Re:

Sorry about that

Danny worked on it for over 3 hours blowing out lines at both=ends, moved drains from Pans Said he di= what he could, the thermostat in movie room was cooling at 5pm having gone=down 4 degrees Thought this was good si=n, clearly this issue is not going to be solved via Danny Reefco on GSJ tomorrow for the ice maker issue, suggest w= bring them over to LSJ, although given they have reviewed the issue twice!= Joe (possible new engineer) will be on=site on Sunday, perhaps this might be something we can get him to review, i= nothing else a new pair of eyes None o= this helping with the issues we have right now Sorry unable to be of more help Karen
