Dad - bad. Can't even explain it.

AYH - IGY finishing a capital round. The asset has important strategic value to the igy network so it is not a seller but will make an offer to buy it. There has been a number floated but mukamal wanted to wait until the round was completed so that if you wished to proceed he could close immediately. He told me about it but I apologize for not remembering what it was. I have been in deep distress with dad. I am trying to reach him now to give you a directional indication regarding the proposed pricing. Xoxo
