I am still waiting to be notified of an available time to view the new landing. My understanding is that it is being coordinated with WAPA so that only one trip is necessary.

We are going to Tortola with WAPA this week to finalize their l=nding site. GSJ stuff is ready except for land stuff which H=go needs to finish off, now WAPA is the critical path and we are moving on t=at, we have just been slowed down by the awful seas which have prevailed th= last month.
