Subject: Hello

Dear Jeffrey

I hope this email find you well.
You've been on my mind coming into this full moon period....

I wanted to be in touch because my mind has brought me to series of inequalities existing in my past that I am trying to reconcile.

If you feel we have outstanding issues to resolve I would be most grateful to receive your input on how we can work out anything that needs resolution between us.

I am trying to shed unnecessary mental noise so I can focus on a future... till now I've not been able to face my fears and shame that living my-life the way I have has imprinted itself on my cell memory. I am working on=finding a sense of equality within and without and I believe my relationships with men has been a catalyst in my sense of loss of freedom and oneness with myself... I haven't always known how to accurately navigate my own path....

Your assistance and wisdom and curiosity about life has been a part of what =80 s been able to help me evolve.

Love and gratitude.

Francis.
