tell the photographer that you really want to learn and are willing to work harder than anyone he's ever seen, . I only wish you well.

Jeffrey for now with no degree I can only get internships in good companies thanks to my contacts in order to learn, not real jobs. Everyone I ask for a paid job tells me I need to finish my degree, except for you (you don't want to hire me as well or help me find one) ! All the internships/jobs good or bad I did since now I've always found them alone by myself. After asking everyone I know for a "real" paid job as you said the only option I have without a degree are: waitress, cleaner, babysitter or sales girl.=I can't find any useful skills I can learn in those jobs that I haven't already learned before like being on time, humility and respect and growth in a specific field of my interest. The only thing I see myself in is in the Art industry but you don't consider it as a "real job" . I find myself completely trapped in a situation where I can't find a way out and don't see a future... Sorry if I'm writing you this but I'm panicking

I'm sure you might think that photography is not a real job bu= it can turn into one if I do it well. My question is how do I learn by assistin= a photographer if I work in a shop all day ?? How can I earn money to pay=my rent and living and in the same time learn a new skill in order to grow=in that specific field ? I'm not sure how I should manage this...

I am trying to do things d=fferently in order to grow, build my identity and stand up on my own two f=et as I said... You are the one person that has always been there for me a=d the only one I could really rely on. I just didn't expect you would =et me go like this after everything... I would like to do something for yo= to show you my gratitude. I know I've lost a lot of time, patience of=yours, credibility and made many mistakes by repeating the same wrong path=over and over- I apologize for this. I will never be thankful enough. It's by falling that one learns to walk a=d thanks to all of these mistakes that I have done over and over I've =inally cleared up my mind and understood what are my real goals (for real=)

These ar= my goals:

1. Photography: Learning photography because it's my real passio= (after Jeffrey) and I have an eye for it. Starting by becoming a photog=apher's assistant in order to master a camera, the light and learn all=the basics.

2. Next: being=represented by Next as an influencer not just because of my name but as a =rofessional photographer and promote my work or fashion brands.

3. Acting classes (if possible)

4. Train regularly and keep a h=althy lifestyle

I will work hard in order to achieve these goals.
