The folks at the Lincoln Center Film Society are jumping for joy.

The Gala is Monday, May 8th. Will deal with donation tomorrow.

This is really helpful to my business. The Film Society really needs me to encourage filmmakers to support them.

xoxo Peggy

Do you want me to see if John Micklethwait Sunday night? Where is Woody? His production designer, Sento Loquasto, who just designed "Hello Dolly" with Bette Midler, is going to win a TONY and everything else he is up for. This work in this show is extraordinary. Bette is a genius and the show is the new Book of Mormon and=Hamilton rolled into one. Go see it.
