Unrelated: The lawyers have offered to handle our green card case for a fee=of ~10000 dollars, plus ~5700 dollars for the government filing fees. The =documentation is largely the same as for the O1 visa, including the letters=of reference (which I already requested in two versions each). Thus, the a=tual effort to compile the documents is going to be minimal.

Is it better to handle the green card via the lawyers, or would it be possi=le/better to do that via Darren?

With kind regards!
