Jeffrey,

I did not see a leak since the irrigation system is shut off until Sunday. B=t I found a busted irrigation mister and I fixed that. Will go and check Su=day when water comes back on to confirm it is working.

Sorry about the confusing answer about the drive around GSJ. I never saw the=email about the water leak since it was one of multiple replies in the dron= email chain. I only saw the one about why nobody had done the drive around=

I did a full drive of LSJ today and made several notes for items to fix next=week.

Tennis court is a total mess

Lattice work at flagpole parking is bad

5 palms doors rusting

Weeds everywhere

Currently updating the punchlist. I will send you daily progress updates wit= photos.

Thank you

John
