Understood - we will be expecting arrival of the aircraft tomorrow around mid day.

When would you like to discuss finalizing a floor plan so that we can provide you with a proposal?

Best Regards,

Eric

Eric I thought that we should park it there so you can look at it with your people but I will fly it a couple of times before putting it in to you

Good morning Jeffrey,

Larry informed me that he intends to bring the G550 to my hangar tomorrow.

Do you want to come out and walk through the aircraft with us and look at materials in our design studio?

Best Regards,

Eric
