I'm sure you might think that photography is not a real job b=t it can turn into one if I do it well. At the beginning I will earn no mo=ey with it since I have to learn and I will probably need to work in a sho= or something to earn some money. My question is how do I learn by assisti=g a photographer if I work in a shop all day ?? How can I earn money to pa= my rent and living and in the same time learn a new skill in order to gro= in that specific field ? I'm not sure how I should manage this...

These are my goals:

1. Photography: Learning photograph= because it's my real passion ( after Jeffrey ) and I have an eye for =t. Starting by becoming a photographer's assistant in order to master = camera, the light and learn all the basics.
3. Acting classes ( if possible)

I will work hard in order to achieve these goals.
