Dear Jeffrey

I hope this email find you well.

You've been on my mind coming into this full moon period....

I wanted to be in touch because my mind has brought me to series of inequalities existing in my past that I am trying to reconcile.

If you feel we have outstanding issues to resolve I would be most grateful =o receive your input on how we can work out anything that needs resolution=between us.

I am trying to shed unnecessary mental noise so I can focus on a future... =ill now I've not been able to face my fears and shame that living =y life the way I have has imprinted itself on my cell memory. I am working=on finding a sense of equality within and without and I believe my relationships with men has been a catalyst in my sense of loss of freedom and oneness with myself... I haven't always known how to accurately navigate my own path....

Your assistance and wisdom and curiosity about life has been a part of what=E2 s been able to help me evolve.

Love and gratitude.

Francis.
