As i said yesterday, poi=ting out places where i think my friend might be taking unnece=arry risks has become tedious and trying. Structures tha= have been set up 2 years ago. were done so to give you protection and fle=ibility, NOT FOR ME< for YOU they required h=ring staff that could manage these complex entities. =A0 you told me over the past two years that as i set them up i=should be responsible for their operation. That was never the deal=C2 , never. I have heard after -care etc for quite a =hile. in dec when you unilaterally decided to pay me much les= than our agreed amount , we agreed NO MORE money discussions =C2 NO MORE after care. The silliness has reached its pinnacle when you =uggest i am responsible for the lack of sophisticaion and thoughtfulness =f the 1031 transactions that NO one even told me about. =sked my advice or gave me any notice at all before the fact. s=me as the structure for the CALif house. I would remind =ou , though Heather is great, it was not she that modified the gagos=an contract to give you the protection that resulted in your having no lia=lity, though you tell me she has done these things many times.=
