As you k=ow we have been interviewing for housekeepers for LSJ/GSJ. As of date I hav= interviewed 7 possible candidates, leaving us with only [REDACTED] Mon=esi as a good option. She worked 3/30/17 with Dulce & Justina on both i=lands, it went very well and would like to recommend that she be employed a= a full time salary worker at a starting rate of \$14.00 an hour

<=blockquote>

[REDACTED] could start as early as 4/10/17, if she gives her notice by 4/4=17

Attached her Employment Package.

Ple=se advise if we can move forward with her employment

Warm=st regards

Karen
