Subject: Palm trees yellow

Jeffrey,

Chris looked at the palms getting yellow. He does not see evidence of Lethal=Yellow. He said that the Palms are overdue for fertilizer and will get that=done.

Also in his opinion, the trees at 5 palms are yellow due to high winds.

Two palms on the beach will need to be replaced due to disease. Nothing cont=gious he said. But he will get them replaced when you are off island

Thanks

John
