Dear gino,  
Fantastic title!  
I will contribute to mix my previous general presentation with all  
your suggestions.

Prof. Peter Valdès-Sosa must co-chair the congress with us. Please send me your final idea and I will work at it soon. I will keep you informed about the confirmation of the dates. I understand November is a good time for you.  
Let's keep in touch!  
And my best wishes for Christmas and New Year.  
Giusppi
