Mr. Kahn,

I am still waiting to be notified of an available time to =view the new landing. My understanding is that it is being coordinated =ith WAPA so that only one trip is necessary.

is amy email =orrect that we just need land stuff for you to finish off and WAPA?
if so what was path that you both determined works?
please advise
thank you

We are going to Tortola with WAPA =his week to finalize their landing site. GSJ stuff =s ready except for land stuff which Hugo needs to finish off, now =APA is the critical path and we are moving on that, we have just been =lowed down by the awful seas which have prevailed the last month.
