Good afternoon Jeffrey!

I've attached the draft of my resume to this email and would be so grat=ful if you could give me advice on a couple of questions:

1. Shall I include modeling as the work experience and if so, what should I=specify to make it work in the favor of being taken seriously?
2. Is the objective stated correctly or should I say something else in that=
3. What would a person like David most like to see in a cv of a potential e=ployee and how could I address that?

Thank you for your time and support, I appreciate it so much!
