Brice just spoke to Duan

Confirming:

Once the company she was working for found out she had breast cancer, terminated her, there was an issue with Medical Insurance, so [REDACTED] sued the company. The judge on the case ruled in her favor, Wrongful Termination receiving \$5,000 as settlement, they then went on to Cobra Coverage

An intruder was coming on to their property (very rural NM) she confronted him with a gun, the intruder took off and she called the Police

She admitted to the Office that she had a drink and under NM Ia= it is an offense to
banish a weapon if alcohol is involved
She was charged with aggravated assault (confronting him with gun) intoxication, these
charges were dismissed
He was a bit taken aback, considering all charges were dismissed, surprised it was on
her record
They did not even consider this an issue
Will talk tomorrow
Regards
Karen

As mentioned in Brice's E Mail shall we book tickets for us to return early next week?
