Need to talk to you. Just had dinner with Firyal. She ha= some good ideas. I should do it Sept. 14th after Labor Day when NYC= is hopping.

End of May is too soon. A f=w girls want to host...
Firy=l, Jessica de Rothchild...Amanda Foreman...I can ask Julia Koch and Annabe= Astor and Kathy Rayner I should do one dinner for =50-200 at a cool place.

I should send a save =he date out in the next month...so people can travel..le Europe or L.A. &n=sp; Just make it one cool dinner....can still celebrate preservation=and Jerry Imber can still make a toast,..and I can still update the bookle=. How to look like me at 70.

When can I call =ou.
Peg. I don=t want to ask the girls for money...but like the idea of hosts.

OK= We have movement. I just went to Dr. Jerry Imber for a consultation. [REDACTED]
[REDACTED]

With that expenditure out of=the way...here is my next idea....all within the budget.

#1. To have a lunch for all my media girlfriends and the top doctor= who are responsible for the celebration of preservation. Jerry will come =nd speak. I can ask Dr. Janet Pyrtowski...a very serious respected skin do=tor...she actually specialized in skin cancer but does all the beauty tric=s...and the dentist...Dr. Marc Lowenberg...he does the veneers to all the =tars and is the best. I might throw in the anti-aging doct=r, with his powdered protein drinks. And maybe handsome Israelie &n=sp;Dr. Ilan Baum, the chiropractor. That's more than enough. They co=ld all say a few words...or just be available to go from table to table fo= consultations.

I will update the "How to look li=e me at 70," booklet...

Then I can do a small din=er, 100 for my close friends. I know I have \$100,000.
I c=uld do split the budget for two.
That is one idea.
<=iv>

I also got calls from Blaine Trump, Jessica de Rothchild= Amanda Forman and Margo Nederlander about hosting a lunch...they would al= kick in...

I have to back to the Four S=asons and see what they will come down to.

=A Grenoiulle will give me a dinner for 100 for 50,000....all in.

Charles Mason just opened a beautiful new restaurant where = steak house was on E. 63rd bet Mad/Park. Only holds 70...but they would l=ve anything.

Calling The Four Seasons today.

Isn't that great about the free brow lift!

xoxo Peggy
