Jeff 1,

I have mentioned that I need to talk to the bank and it is in need of this - and pending such successful talk.

I have not found the time to engage them due to my delays re the refi plan.

Delays caused by a few rounds in UK and Singapore courts. I can deliver on these or my promises to you if I am given a little room to get it done. Pls do not push me by setting targets for me. I have enough of these already from others.

Jeff 2,

As you will know, save for such surgery being unpleasant; it is not more than that.

An unpleasant experience. The unpleasant part is made worse that one do not know if successful before afterwards.

However at no stage it is a matter of being dangerous compared to other things in life.

Best regards from Morits Skaugen
