Jeffrey-i will have John confirm but I am pretty confident you'll see 1mm (of 28mm total due) federal taxes paid in calendar 2016; 16mm (of 17mm total due) NYS income taxes paid in calendar 2016 and 2.5mm of 2015 sales and use taxes paid in April 2016. This adds up to 36mm of cash taxes paid but does not include other state(s)' income tax. John, will you confirm this for Jeffrey. Thx, b Sent from my Verizon Wireless BlackBerry
